**CHAMPIONSHIP
SOLO & DUO
COMPETITION 2024**

President's Note

Hello everyone, and welcome to the Cali ACT Championship Solo, Duo & Graceful Competition for 2024. I know the lead up to this event is very busy for all involved, so I would like to take this opportunity to thank the parents for supporting their children with these extra classes and additional commitment.

At the AGM last October we had a number of changes to the Board. I'd like to recognise the efforts of our two outgoing board members - Kerry Sargent (Director of Competitions) and Sue Whitney (Secretary). The success of our board leading into 2024 has definitely been impacted by the service of these two women. Thank you for your tireless effort and contribution to our sport.

We welcome back for another year on the board, Tony Hall (State Team Manager), Carmen Menzel and Cathleen Marshall (Director of Coaches) and Shannon Thomas (Development Officer). Without a State Team to manage this year, Tony has taken on the very important role of ACT representation within the 6 member states of ACF. A lot of work is going on behind the scenes to elevate the outcomes of a national body; so watch this space!

We have a number of new additions to the board this year. Kim Waterford, Amy Schafrin & Gemma Dowie sharing the role of Director of Competitions, Leanne Graham as Secretary and Hayley Waterhouse as Treasurer. All of these new board members hit the ground running late last year as they took over these roles. We have a great board this year and I'm very excited for what is in store for our community in 2024.

I spent a reasonable amount of time at Preliminary comps in April. It was a fabulous event, and considering that our performers' training schedules are a work in progress, the standard is quite amazing. I just love seeing the depth of competitors in our program. Solos, duos and gracefules are a key part of development for our students and it's wonderful to see so many young performers taking the stage on their own.

A very big thank you to our Director of Competitions trio and their team of assistants who go above and beyond to make this Solo, Duo & Graceful Competition season a success for our participants.

All the best to each performer and their coach over the two weekends of comps. You have prepared well for this moment, and I know you will shine on stage. Good luck, and may your performance be a memorable one!
