If you wish to participate in the 2021 Calisthenics Skills programme, **please complete and return the registration form by Friday 15 October**. Do not make any payments - an invoice for payment will be sent to you once your registration form has been processed. Payments will be due 14 days after issue of invoice and must be paid in full prior to an exam time being scheduled.

A Confirmation Letter detailing class dates, times and venues will be sent out by email as soon as permission is granted to return to training and numbers of participants are known. Please contact the Skills Administrator by email if you have not received this information, or an update, by Sunday 24 October. Participants will be required to wear a plain black leotard to all classes and the exam. Parents are encouraged to check with the Skills Co-Ordinators if in doubt as to whether the leotard meets exam uniform requirements. All participants will need a rod and clubs for each class and the exam - Please check that these are the correct length. Skirts are not required.

As you can imagine scheduling over 100 examinations across the weekend is quite a logistical exercise so once the timetable is confirmed we cannot make changes. Please consider your availability over the exam weekend and let us know in advance if there is any time that your daughter **is not available**.

Class times will be notified by email to each participant family. This will be done as soon as possible after we receive permission to return to training and we have been able to process all registrations and participant numbers are known.

Exam times will be notified once the timetable has been completed.

Please see attached Schedule of Proposed class and exam dates

If you are unable to get your daughter to at least 4 of the classes then it may be a better option to explore either of club run classes or private coaching.
